If you wish to request a house watch from the St. Joseph Police Department while you are away, please call the St. Joseph Police Department at 320-363-8250. There are confidential questions they will keep on file.

If you wish to shut off water services while away, please check. There will be a reconnection fee upon return to the City of St. Joseph that will be added to the property owner's utility bill.

*Please note the **departure date has to be a future date**. We are unable to make it effective for a past date as services have been provide by the refuse hauler.*

*Please note that we **will connect services on the date of return listed on this form**. If that date changes, the property owner is responsible to inform us in advance so we may bill accurately. Also note there will still be other fixed charges the property owner will be responsible for while away, such as water, sewer and street light fees.*
